Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Saturday 01 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers, cold overnight.

Today:
A bright start, frosty in places but quickly warming up with sunny spells. Showers developing early in the morning and turning heavy at times during the afternoon. Best of sunshine along the coasts. Maximum temperature 13 deg C (55 deg F).

Tonight:
Showers will die away this evening to leave yet another clear and cold night. Frosty in most areas by dawn. Minimum temperature -2 deg C (28 deg F).

Sunday:
Similar to Saturday, widespread showers developing during the morning, risk of hail in heavier bursts later. Showers easing into the evening, staying milder overnight as cloud builds from the west. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Cloudy but dry start to Monday, widespread rain later with strong winds overnight and gales across the far south east. Mild overnight. Further blustery showers throughout Tuesday and Wednesday.
